## New York Condemns Theatricals to Make Way for Others Well Known Theaters Razed to Make Room for More Modern Structures of Their Kind

All Girl Show Opens At Empress Today

ing today no "all girl" show. Not a single man takes part in the show. Girl black-face consedures, girl musicians, girl singers and even girl accounts will perform on the Empress stage today. Contrary to the general belief thus show is not a regular all girl show which travels from place to place; after Tuba the show breaks up and becomes just five vandeville acts again. The interesting circuit atranged the show from the best of the girl acts plebed from many circuits and the show has been together for four weeks, this being the last date that
